Dear Michael Vax,

Please be advised that a monument for your parents has been manufactured.
Monument is located in our Brooklyn warehouse.

In order to erect the monument on the cemetery the following steps need to be completed:

1. We have to remove your father's old (damaged) monument from the cemetery plot.
We will do it in April (weather permitting).
2. Cemetery have to build a foundation.
Normally cemetery starts doing foundations in May (weather permitting)
3. Once the foundations is ready it will take us 2-3 weeks to erect a monument.

To summarize:

If weather cooperates, the monument will be ready for an unveiling in the first decade of June 2025.

Feel free to call if you have any questions.

Respectfully,

Vadim Tsipenyuk
President
